RULES AND REGULATIONS

FOR CONDUCTING THE PROCEEDINGS OF

THE MEDICAL COUNCIL

OF THE

COLLEGE OF PHYSICIANS AND SURGEONS OF ONTARIO.

By-Law No. 39, and No. 50, amending By-Law
No. 39.

MEETINGS.

1. The Annual Session of the Council shall take place on the second Tuesday of June in each year, at Toronto ; but special sessions may be called by the President, whenever he may consider it advisable. And it shall be the duty of the President to call special sessions on a requisition signed by seven members. No business shall be taken up at a special session except that for which the session has been called, and of which every member has been notified.

2. At the Annual Session of the Council the President, (or, in his absence, the Vice-President) shall take the chair, and declare the Council organized, when the Council shall proceed to elect officers. In the absence of the President and Vice-President the Council shall appoint a Chairman, *provided* that at the first meeting of a new Council the Registrar shall call the Council to order, read over the names of the members, and shall call on the Council to elect a President.

3. The President and Vice-President shall be elected from among the members of the Council, after nomination, by ballot, and a majority of the votes of the members present shall be necessary to an election; provided that in case of a tie, the election shall be decided by the member representing the greatest number of registered practitioners.

4. The first business after the organization of the Council and the election of officers, shall be the appointment of a committee to nominate the Standing Committees.

OFFICERS.

1. The officers of the Council shall be a President, Vice-President, Registrar, Treasurer and Solicitor, and such others as the Council may deem necessary.

2. The salaried officers shall be elected after nomination, and shall hold office during the pleasure of the Council.

RULES OF ORDER.

1. The President shall preside at all meetings, call the Council to order at the hour appointed, and cause the minutes of the preceding meeting to be read, confirmed and signed.

2. In the absence of the President, the Vice-President shall call the meeting to order, or a chairman, *pro tem*, may, in the absence of the latter, be chosen by the Council.

3. When the President or other presiding officer is called on to decide a point of order or practice, he shall state the rule applicable to the case, without argument or comment, subject to an appeal to the Council.

4. The President shall declare all votes; but if any member demand it, the President, in case of open vote, without further debate on the question, shall require the members voting in the affirmative and negative respectively to stand until they are counted, and he shall then declare the result. At the request of any member the yeas and nays shall be taken and recorded.

5. The President or other presiding officer may express his opinion on any subject under debate; but in such case he shall leave the chair until the question is decided, appointing some other member to take it. But he shall decide points of order or practice without leaving his place.

6. When any member is about to speak in debate he shall rise in his

place and address the presiding officer, confining himself to the question under debate and avoiding personality.

7. When two or more members rise at the same time the President or presiding officer shall name the member who is first to speak.

8. No member while speaking shall be interrupted by another, except upon a point of order, or for the purpose of explanation. The member so rising shall confine himself strictly to the point of order, or the explanation.

9. If any member in speaking or otherwise, transgresses the rules, the President shall, or any member may, call him to order; in which case the member so called shall immediately sit down, unless permitted to explain; and the Council if appealed to, shall decide on the case, but without debate.

10. No member shall speak more than once upon any resolution or motion except the proposer, who shall be permitted to reply; nor shall any member speak longer than a quarter of an hour on the same question without the leave of the Council, except in explanation, and then he must not introduce new matter.

11. Any member of the Council may require the question under discussion to be read at any time of the debate, but not so as to interrupt a speaker.

12. No member shall speak to any question after the same has been put by the President.

13. Notice shall be given to all motions for introducing new matter, other than matters of privilege and petitions, at a meeting previous to that at which it comes up for discussion, unless dispensed with by a three-fourths vote of the members present. Any matter when once decided by the Council shall not be re-introduced during the continuance of that session, unless by a two-thirds vote of the Council then present.

14. A motion must be put in writing and seconded before it is stated by the President, and then shall be disposed of only by a vote of the Council, unless the mover, by permission of the Council, withdraw it. Every member present shall vote unless excused by the Council.

15. At the close of the Annual Session the minutes of the last meeting shall be read over, adopted and signed by the President or other presiding officer.

16. The Registrar shall make a list of all resolutions and reports on the table, which shall be considered "The General Orders of the Day," the order of the same to be as follows :

- (4) To lay on the table.
- (5) To refer.
- (6) To amend.

The chairman shall put the previous question in this form, "Shall the main question be now put?" and its adoption shall end all debate and bring the Council to vote upon the main question.

18. The Chairman shall consider a motion to adjourn as always in order, and that motion and the motion to lay on the table shall be decided without debate.

[SEAL.]

REMARKS ON PENAL CLAUSES

OF

THE ONTARIO MEDICAL ACT.

The following observations are intended for the guidance of the members of the College of Physicians and Surgeons of Ontario, in carrying into effect the penal clauses of the Ontario Medical Act. All communications with the Registrar of the Council will of course be considered strictly confidential.

It will be convenient to consider separately, those clauses of the act which provide that the Council may order the erasure from the Register, of the name of any registered practitioner, and those which impose a penalty of fine or imprisonment in respect of any offence.

ERASURE FROM REGISTER.

The following remarks do not apply to erasure by the Registrar for non-payment of fees, (in which case the practitioner will be reinstated on payment of arrears) but only to erasure by direction of the Council, in which case the name erased can only be restored under the provisions of Section 35.

The Procedure for enforcing this penalty is provided by sections 36, 37, 38, 38 (a) and 38 (b) of the Act as amended

The Council must before exercising the power of erasing the names of any person from the register, ascertain the facts of the case by a committee and if the charge is made against any Registered Practitioner, that he has been convicted of any felony or

misdemeanor the Council *must* direct such enquiry upon the application of any four registered practitioners. The name of any registered practitioner may be erased by the Council

FIRSTLY.

If he has been guilty of any felony or misdemeanor. (Sec. 34.)

In this case the Registrar should be furnished with the christian name and surname of the party, the offence for which he was convicted, the place and assize at which he was tried, together with his last known address.

SECONDLY.

If he has been guilty of any infamous or disgraceful conduct in a professional respect. (Sec. 34.)

In this case full particulars of the matters complained of together with a full statement of the evidence by which the charge is to be established, should be communicated to the Registrar.

In case any member becomes aware that any person who has been convicted of felony or misdemeanor, or has been guilty of any infamous or disgraceful conduct in a professional respect, intends to apply for registration, he should communicate to the Registrar the facts above mentioned in order that they may be kept on record in case of any such application.

THIRDLY.

If he has procured or caused to be procured his registration under the Act, by any false or fraudulent representations. (Sec. 44.)

In order that any person may be entitled to be registered under the Act, he *must* be qualified within the provisions of Sections 23, 24 and 25, and Schedule B therein referred to, and the Rules, Orders or Regulations of the Council passed under the authority of the Act.

In laying a charge under Section 44, of procuring registration by false or fraudulent representations or declarations the facts upon which such charge is based, and the evidence by which it

is to be established should be fully communicated to the Registrar.

The false or fraudulent representation must be such, that unless the same were true, the person applying would not be entitled to be registered under the sections and regulations above referred to.

Proof of the alteration, falsification, or forgery of a certificate or other document entitling the person to registration would be sufficient proof of a charge made under this section.

Any material alteration of a certificate amounts to forgery thereof.

“ A Material Alteration ” is of the date, name of the person or other fact which would involve the validity of the instrument for the purposes for which it is produced.

FINE OR IMPRISONMENT.

In order to enforce the clauses of the Act which impose a penalty of fine or imprisonment it is necessary to lay an information before some Magistrate.

By Section 51, every Justice of the Peace has jurisdiction to dispose of every offence under the Act.

Every Justice of the Peace will furnish the necessary form of information with blank spaces for the names, places and dates and description of the offence charged, which should be set forth in the very words of the section under which the charge is laid.

The information having been sworn by the party laying the charge, the Magistrate will issue his summons, and if the party does not appear, or in the first instance if he thinks fit, he may issue a warrant for the arrest of the party and upon the return of the summons or upon the arrest, the case will be proceeded with in the ordinary way.

It must be remembered that by Section 55, every prosecution must be commenced within one year from the date of the alleged offence.

When the conviction is obtained it is important to see that the

formal conviction is in the very words of the section in question, and that the penalty imposed is strictly within the prescribed limits. It is most important that no penalty should be imposed except what is strictly within the terms of the Act, as any variance in this respect would only result in the complete failure of the prosecution, as *e.g.*, while under Section 51 the Justice may award payment of costs in addition to the penalty, and in default of payment may commit the offender to jail for any term not exceeding one month, yet he must not include in the costs, the costs of commitment and conveying to jail, and if he does so the conviction is void and may be quashed on appeal.

SECTION 44, SUB-SECTION 2.

We have already seen that the name of any person may be erased from the Register who has procured or caused to be procured his registration by any false or fraudulent representations, and by this sub-section a penalty is provided not only for the wilful commission of this offence, but also for the wilful attempt to commit it, and a further penalty of from \$20 to \$50 is imposed upon every person aiding and assisting him therein.

The sworn statement required in order to obtain a conviction does not differ from that required to procure the erasure of the name of the offender from the register, and in case the charge is for an attempt to commit an offence, all that would be necessary would be to prove an application to the Registrar for Registration, and the making to him of such false statements, either verbally or by the production of documents containing them.

SECTION 45

In order to prove an offence under this section it is not necessary to produce any proof that the person charged was not registered at the time that the alleged offence was committed, for by Sec. 53 the burden of proof as to Registration is upon the person so charged.

The offence under this section consists in practising, professing to practice, or advertising to give advice in, Medicine, Surgery, or Midwifery, provided always that any such act is done for "hire gain or hope of reward,"

The person laying the charge must be prepared with evidence to prove against the person charged.

1. That he has attended persons and has treated them or prescribed for illness or has done some act which amounts to the practice of Medicine, Surgery Midwifery. or—

2. That he has professed to practice or has advertised to give advice in Medicine, Surgery or Midwifery by holding himself out to the public or to individuals as a Physician or Surgeon. This may be proved by persons aware of the fact to whom he has stated his willingness to act in such capacity or who have seen any advertisement, sign or notice either in a newspaper or publicly exposed about his premises and in case an advertisement in a newspaper or by the distribution of cards is relied upon such advertisement should always be produced and identified.

The offence may sometimes be proved by a druggist who has prepared prescriptions, but in all cases the best evidence is that of the patient, where the charge is the actual practice of medicine.

If sufficient evidence is given to cover one or both of the points above referred to, the proof of the charge will be completed by proving that what was done was for "hire gain or hope of reward." Upon this point proof should be offered that he has taken fees, or has been paid for medicine, services rendered, or that he has stipulated for payment or made some bargain for remuneration either in cash or otherwise.

SECTIONS 46 AND 47.

Section 46 deals with the offence of falsely pretending to be a Physician and the assumption of any title, addition or description to which the person charged is not legally entitled. Section 47 imposes a heavier penalty for the use of a title implying, or calculated to lead people to infer that he is registered or that he is a physician or surgeon recognized by law. Proof should be given of the use of any such title in the same way as above mentioned for professing or advertising to give advice.
